

Christmas Cluedo

with the Friends of Fog Lane Park

One of the reindeers has been up to mischief and hidden an item belonging to Rudolf!

Can you figure out which reindeer is the culprit; which item has been taken and where in the park it has been hidden?

Use the map to find the clues, around the park. You will need a smart phone!

Instructions

You will find 2 clues at each location marked with a cross on the map of Fog Lane Park

Each clue will eliminate a reindeer, an item, or a location, mark off on the table to the left!

When you have solved all the clues you will be left with final answer!

Happy Hunting!!

All money raised will be used by Friends of Fog Lane Park to make our amazing park even better!

*****Please remember to social distance*****
